Natco Foods Steam Sterilization Services

The plant is available for contract work. Items being treated include dried fruits, nuts, seeds, pulses, beans, herbs and spices. Competitive rates available.

Pepper markets

The pepper market is on fire again. Indicative replacement cost prices are:

Ground White Pepper:	£3.05 / kg
Ground Black Pepper:	£2.30 / kg
Cracked Black Pepper:	£2.78 / kg
Whole Black Pepper:	£2.45 / kg

Markets

Buyers of ingredients are painfully aware of some huge price increases in the last 6 months. The spice and herb sector is no exception. Further increases are likely.

Ochratoxin

Although there are no current legal limits, we are buying and selling to max 20ppb. The authorities may issue a directive soon with a binding limit and we will keep clients informed as developments take place.

Contract cleaning and grinding

Natco Foods Buckingham is offering contract cleaning and grinding services. Any goods can also be Steam Sterilized. Custom blends can be discussed. Full HACCP controlled processing.
